If we link the Aggregated Data with your personal data so that you can be identified from

Where we are required to collect personal data by law, or under the terms of the contract between us and you do not provide us with that data when requested, we may not be able to perform the contract (for example, to deliver goods or services to you). If you don't provide us with the requested data, we may have to cancel a product or service you have ordered but if we do, we will notify you at the time.

Generally, we do not rely on consent as a legal ground for processing your personal data, other than in relation to sending marketing communications to you via email or text message. You have the right to withdraw consent to marketing at any time by emailing us at [enquiries@theal5aesthetics.com](mailto:enquiries@theal5aesthetics.com)

Where you opt out of receiving our marketing communications, this will not apply to personal data provided to us as a result of a product/service purchase, warranty registration, product/service experience or other transactions.

#### **Change of purpose**

We will only use your personal data for the purposes for which we collected it, unless we reasonably consider that we need to use it for another reason and that reason is compatible with the original purpose. If you wish to find out more about how

the processing for the new purpose is compatible with the original purpose, please email us at [enquiries@theal5aesthetics.com](mailto:enquiries@theal5aesthetics.com)

If we need to use your personal data for a purpose unrelated to the purpose for which we collected the data, we will notify you and we will explain the legal ground of processing.

We require all third parties to whom we transfer your data to respect the security of your personal data and to treat it in accordance with the law. We only allow such third parties to process your personal data for specified purposes and in accordance with our instructions.

## **6. DATA SECURITY**

We have put in place appropriate security measures to prevent your personal data from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, we limit access to your personal data to those employees, agents, contractors and other third parties who have a business need to know such data. By law we have to keep basic information about our customers (including Contact, Identity, Financial and Transaction Data) for six years after they cease being customers for tax purposes.

In some circumstances you can ask us to delete your data: see below for further information.

In some circumstances we may anonymise your personal data (so that it can no longer be associated with you) for research or statistical purposes in which case we may use this information indefinitely without further notice to you.

Under certain circumstances, you have rights under data protection laws in relation to your personal data. These include the right to:

- Request access to your personal data.
- Request correction of your personal data.
- Request erasure of your personal data.
- Object to processing of your personal data.
- Request restriction of processing your personal data.

- Right to withdraw consent.

You can see more about these rights at:

If you wish to exercise any of the rights set out above, please email us at [enquiries@theal5aesthetics.com](mailto:enquiries@theal5aesthetics.com)

You will not have to pay a fee to access your personal data (or to exercise any of the other rights). However, we may charge a reasonable fee if your request is clearly unfounded, repetitive or excessive. Alternatively, we may refuse to comply with your request in these circumstances.

We may need to request specific information from you to help us confirm your identity and ensure your right to access your personal data (or to exercise any of your other rights). This is a security measure to ensure that personal data is not disclosed to any person who has no right to receive it. We may also contact you to ask you for further information in relation to your request to speed up our response.

We try to respond to all legitimate requests within one month. Occasionally it may take us longer than a month if your request is particularly complex or you have made a number of requests. In this case, we will notify you and keep you updated.
